

Lee Creek School District
Sept 29, 1925.

We, the undersigned parents, residents and ratepayers of Lee Creek School District, having children attending this school, do hereby petition the trustees of the Lee Creek School Board to ask the teacher, Miss M. A. Haurikan for her immediate resignation. The chief reason for this request, is, said teacher's vulgar language to the children. In event of her refusal, we will discontinue sending our children until another teacher is secured.

We would recommend, before another application is accepted, that the Inspector be consulted as to the suitability of said applicant for this school.
