Palmer Butcher Shop and more. Check out the silent auction table and bid on items that have been donated by local businesses, individuals and participants.

Harvest Celebration welcomes local duo the "Green Room" featuring Elaine Holmes and Lawren Peter Clark. Elaine and Lawren Peter joined forces in 2015 and released their first album of original songs in 2017. "Opportunity Knocked" is a creative combining of Latin, Folk, Jazz and Pop influences with well-honed lyric content. Elaine's vocal power range and Lawren Peter's smooth instrumental is a perfect music recipe for a Sunday afternoon in the park.
